Meeting on experimental and translational Research in Head and Neck Cancer

17 - 18 January 2020 in Cologne/Germany

Dear Friends and Colleagues,

It is our great pleasure to announce that the

Meeting on experimental and translational Research in Head and Neck Cancer with scientific support of the Working Group Oncology will be held from **17-18 January 2020 in Cologne/Germany**.

We would like to cordially invite you to participate in this important event on head and neck oncology.

Its highlights include an array of well known academics and practitioners, as well as the inclusion, for the first time of a salivary gland session to our scientific program.

Details about abstract submission and registration will soon follow.

We are looking forward to receiving your contributions and welcoming you in person to Cologne!
