Rundschreiben 2021/ I

Liebe Kolleginnen und Kollegen,
 hinter uns liegt ein Jahr der pandemiebedingten Einschränkungen, trotzdem stand die onkologische Forschung nicht still, vielmehr wurde auf allen Ebenen der Grundlagenwissenschaften und klinischen Forschung mit Hochdruck weitergearbeitet. Umso mehr freuen wir uns auf die nun wieder auch in Anwesenheit stattfindenden Veranstaltungen als wichtige Impulsgeber für die Forschungsarbeit sowie den Erfahrungsaustausch mit onkologisch Interessierten in den kommenden Monaten.
 Außerdem möchten wir auf einige aktuelle Publikationen aufmerksam machen.
 Mit den besten Grüßen,
 AG Onkologie der Deutschen Gesellschaft für Hals-Nasen-Ohren-Heilkunde, Kopf- und Hals-Chirurgie e.V.
